11 THE COURT: The Court calls the Executive Committee  
12 representing the signing petitioners of the Archdiocese of  
13 the Western United States versus Archbishop Eugene Kaplan,  
14 case No. BC304244.

15 We're here concerning the plaintiff's motion to  
16 set aside and to vacate the judgment and to enter a  
17 judgment that's quite different than the judgment that has  
18 been thought of by defense counsel.

19 All right. This is the case where the Court  
20 granted a nonsuit, which is highly unusual, but this is a  
21 case where it seemed to fit the facts.

22 I have read and considered the plaintiff's  
23 motion and the defendant's motion. Does the plaintiff wish  
24 to add anything to the matter?

25 Incidentally where were you? You were a half  
26 hour late plus.

27 MR. ANZ: We start at 9:00. Apparently the music  
28 center had some event going on and coming off the freeway
